# WHAT IS ABSOLUTE NORTHWOOD?

## CHASSIS

✓ Custom Built, Independently Tested & Certified

## FRAME

✓ Fully Welded Aluminum Superstructure

## ROOF

✓ Full Walk On, Bonded Roof Truss System

## CABINETS

✓ Wall & Ceiling Mounted, Face Frame Construction

## INSULATION

✓ A True 4 Season Coach

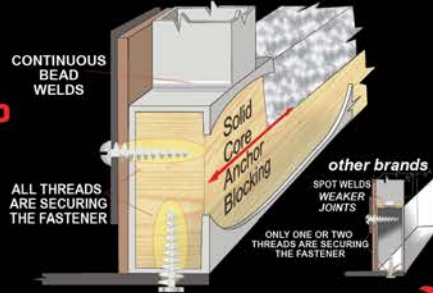

*Our Commitment to*  
**QUALITY**  
**STRENGTH**  
**DURABILITY**

When you purchase a DFox, you are investing in the best quality materials, construction and craftsmanship. That is why the resale value in a DFox remains higher, and your investment retains its value longer. If you ever decide to trade in your DFox, you will get top dollar. That is why you don't see many used DFox trailers on the market, folks buy them up as quickly as they become available because DFox Toy Haulers have a reputation for durability and longevity.

## SOLID CORE ANCHOR BLOCKING UTILIZING EVERY THREAD

At all critical anchor points, we include solid fill anchor blocking so all the threads of the fasteners anchor securely and completely.

## RESIDENTIAL QUALITY CUSTOM BUILT CABINERY

Our cabinetry is built w/solid wood doors, built with residential face frame construction methods. Drawers slide effortlessly on heavy gauge roller bearing drawer glides.

## ELECTRICAL FEATURES LED LIGHTS & SURGE TESTS

You will find energy efficient LED lighting both inside and out. Additionally, our 110V systems are surge tested multiple times with 1080 volts and the 12V systems are surge tested with 600 volts.

## THICK WALL ALUMINUM FRAME

## ALUMINUM SUPERSTRUCTURE

Aircraft Grade Tubing Up to 1/8" Thick .125"-.060" Thick frame with fully welded heavy gauge, thick wall aluminum tubing.

## ALL CONDITIONS 4 SEASON COACH

HEATED enclosed holding tanks & dump valves. Designed for cold northern climates.

### HEATED HOLDING TANK AREA

## NORTHWOOD ROOF TRUSS SYSTEM

### FULL WALK-ON ROOF

### GLUE BONDED STRUCTURE

- \* Exterior marine grade decking
- \* One piece heavy gauge membrane.
- \* Fully bonded ceiling, trusses and roof sheathing.
- \* Trusses w/ 5-1/2 inch height for plenty of runoff slope.

UP TO 4" OF EXTRA HEADROOM

## CERTIFIED OFF-ROAD CHASSIS

### WE BUILD OUR OWN!

We are one of the few manufacturers who build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing lab.

Just returned from a round trip on the Alaska Highway with our 2008 Desert Fox 24AS. Everyone who sees it continues to admire it, and we couldn't be happier with it. You guys make a great product. The solar system is especially useful here in the "land of the midnight sun."  
All of our friends who have other brands of toy haulers are jealous. Mark O.

My husband and I knew what we needed and wanted in a trailer, and the Desert Fox hit every mark. We knew that Northwood trailers came with the level of craftsmanship and attention to detail we were looking for- not only with aesthetics but also in optional features, in order to get us a trailer that could keep up with our open-road travel lifestyle for year-round adventures. We actually ordered our trailer sight-unseen and had it shipped to us, because we were confident after seeing other Northwood trailers that it would meet our expectations...

**DFOX**

...and after the first 6 months of ownership and over 3500 miles, our Desert Fox 21SW has not disappointed us! - Steven and Claudia M. with Parker the dog.

Love our new DF 27FS  
Thanks,  
Jackie J.

This is our second summer enjoying our DFox. This picture was taken in northern Arizona on a beautiful summer evening. Thank you for making such a great product! Phil and Nancy C.Yuma, AZ

With many years of camping over the years, our 2013 27FS Desert Fox is the best! We love getting out on the trails with our quads and RZR and have the trusted comfort of "home". Thank you for making such an amazing RV and being so great to work with! Jack and Laurie

We are loving our 2020 Desert Fox 21SW. We can fit our Honda Talon 1000X inside! Nancy B.

# DFOX

## Standard Construction Features

Northwood Built, Independently Certified, Off-Road Chassis  
Fully Welded, Thick-Wall Aluminum Frame Construction  
Corona Treated Fiberglass  
Laminated, Multi-Layered Substrate Walls
